I am indeed honoured to have this opportunity to present before you the consistent upward graph of our school's achievements

St.Dominic C.E.M School Vellani, is a recognized Christian Minority institution established and administered by the Dominican sisters of the Holy Trinity. It is a coeducational English Medium School following CBSE syllabus. In 2003 when our first batch started we had 25 students and two classrooms in the parish hall of St.Antony's church vellani. Now that humble beginning has flourished with more than 1000 students, 60 staff, and two school buildings. It is indeed an achievement for the management, Parents, Teaching and non teaching Staff, who dedicated themselves for the success of the institution.

St.Dominic C.E.M School Vellani is a leading school with an outstanding record of academic success achieved in a happy and caring environment and against the backdrop of a broad extra-curricular activity. We cater to students from all sections of society and we recognize this as a challenge and have actively worked to develop systems and processes to deal with this issue by taking extra and remedial classes. Implementation of English Lab is yet another milestone for the linguistic Development of the Students for all the classes...

Once again I thank all of you, especially parents for their continuous support and co operation that enable us to move forward with confidence
